ゴミをかわいく持ち歩く

ティッシュやお菓子の袋など、ポケットやカバンの中に入れて持ち歩くゴミ袋。ぬいぐるみのような可愛い見た目です。「ゴミ袋を持ち歩く」ことへの抵抗を無くし、ゴミ問題で影響を受ける動物たちのことを知ってもらおうきっかけになる。

Carrying Rubbish In An Appealing Way

I propose a rubbish bag that can be used to carry small pieces of rubbish, such as tissues and bags of sweets, allowing for it to be put in a pocket or the corner of a bag. With its cute and plush appearance, the design helps to reduce the resistance that people often have to carrying around rubbish bags. While at the same time, raising awareness of the marine animals that are affected by the obsession humans have towards plastic.
